

P A R E N T A L E R T !

Did you read the flyer and email about the retreat that the Academy of the Holy Cross is hosting on Wednesday, April 5?

- The topic, “eco-spirituality”, is barely disguised New Age, earth-worship rubbish. It has no place in a Catholic school.
- Why is AHC departing from the Teaching Magisterium of the Roman Catholic Church? Aren’t we paying for our children to be nurtured in the faith, not for them to be introduced to New Age earth worship?

The keynote speaker, Jennifer Morgan, was a presenter at the “EarthSpirit Rising Conference” in Louisville, KY along with known Catholic dissenter, population- control advocate and feminist, Rosemary Radford Ruether.

Michael Rose described this event as “a veritable parade of New Age enthusiasts organized around the theme: “EarthSpirit Rising: A Midwest Conference on Healing and Celebrating Planet Earth.” In her keynote address Rosemary Radford Ruether said we need to slow population growth. “To allow unrestrained fertility is not pro-life,” she said. “A good gardener weeds and thins his seedlings to allow the proper amount of room for the plants to grow. We need to seek the most compassionate way of weeding out people.”

And also from Ruether, “nature does not need us to rule over it. We are parasites,” she asserted, “utterly dependent upon the rest of the food-chain. Nature would be much better off without us.”

Moms and Dads, this retreat may contain teachings that are heretical. (Notice the quote on the retreat flyer from Teilhard de Chardin, whose writings have been condemned by the Church.)

Don’t let your daughter attend this retreat, and let the administration know why.

Please protect your daughter.
